DECEMBER MEETING FOR SOLON WOMEN'S CLUB

DECEMBER 6, 2011, 7:00 PM

AT THE SOLON SENIOR CENTER

Our December meeting will be a holiday potluck followed by a short meeting. Audrey has graciously agreed to conduct the meeting since I am unable to be there.

Please remember to bring your own place setting for the potluck. We are making this meeting a little earlier than usual (7:00 pm instead of 7:30 pm)

so that there is time for everything. If you haven't let me know what you are bringing yet, please do so by December 1st.

- Tammy

WINTER IS COMING!

It is time for the members of the Solon Womens Club to collect warm socks for Care Alliance. Roger and Carolyn will be taking the socks down to Care Alliance after our December meeting. Please keep the price tags and give them to the club so that we can get the credit for the donation.

Thank you! - Roger and Carolyn

Last month...

we had a humorous program on suicide prevention by our own “recovering” social worker and member Lisa Newburger, L.I.S.W.-S. She addressed many issues that people have in dealing with the issue of clinical depression and suicide. We had the opportunity to play with the Heart2Hearts™ Army Edition suicide prevention cards. The pictures below are of a sculpting we did on what the barriers to communication are when someone you love may be suicidal. It was a very effective presentation that generated a lot of thought- provoking conversation.

Above, Sneh and Roger take part in the sculpting activity during Lisa's presentation.
